The following is an examiner's statement of reasons for allowance: The packaging device having the particular wafer assembly recited in the claims of the instant invention fails to be taught by the prior art cited of interest.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Formal drawings in compliance with 37 CFR 1.121(d) are required in this application because application contains informal drawings.
